

**YOUR DESTINY ART PROJECT
SKETCHBOOK REQUIREMENTS
AND FINAL PRODUCT**

**Gallery Art Walk:
December 17, King Library, all periods**

Art should express:

Originality

- Work that breaks from convention, blurs the boundaries between genres, and challenges notions of how a particular concept or emotion can be expressed.

Technical Skill

- Work that uses technique to advance an original perspective or a personal vision or voice, and shows skills being utilized to create something unique, powerful, and innovative.
- Student considers the elements and principles of art and design
- Student turns in work that is final draft quality, gallery-ready

Represent your point of view, your voice

- Work with an authentic and unique point of view and style.
- The object should “speak” to the viewer

Sketchbook Checklist

___A brainstorm of ideas for your object written in your sketchbook considering the standards of originality and personal voice (at least 10)

___A list of favorite styles or artists you can use as mentors. You can make photocopies, written lists, or written notes; or create a folder in Google drive you will share. (Find at five different styles or artists or pieces for inspiration).

___A paragraph (or more) describing your favorite style of art or favorite artist and how it represents your voice. Include a visual (photocopy, Google Doc, or handwritten)

___A story from the “voice” of your object--this can be written into the sketchbook or printed

___At least four draft iterations of your object--sketches, paintings, computer-generated, sculpture, etc. Can be the same medium but different visual.

___A photograph of your object--can be a portrait, a single image, a part of a montage or scene, etc., but must show attention to the basic photographic compositional elements

___A paragraph explaining the elements and/or principles of art and design for your final project (post-project)

___A paragraph explaining how your final piece expresses your voice and speaks to the audience (post-project)
