

California Streaming Digital Photography Contest 2016  
*Traditions*

*R/W Notebook*

DIRECTIONS: Go to the California Streaming website page which provides instructions on submitting your photography. Use this page to answer the following questions.

1. Can a student digitally manipulate someone's picture to fit into the theme and then turn in?
  2. What is the purpose of the writing?
  3. What type of writing may be submitted?
  4. What three questions must the writing address?
  5. How many statewide student winners will be chosen?
  6. How many student entries may each teacher submit?
  7. What file format should your photograph be submitted?
  8. How should you label your file format?
- Your photo will be turned in on a shared [Google presentation](#). Include your name, period and the title of the piece. FOLLOW THE SAME FORMAT AS MS. HOEFER'S SAMPLES. Your photo file should be the highest quality and should follow all requirements outlined in the *Guidelines* section of the website.
  - Your answers to the following questions will be turned in on *Schoology*. The questions should be attached as a pdf.
