

My Choice Book Report

Book: _____

Author: _____

MUST: Write a “Book Blurb” on the book you chose for the project. Blurb should include genre and an exciting summary that entices readers to check out the book. Use real book blurbs as models. Your blurb will be submitted on Edmodo the second week back to school once you are assigned your class code.

Assignment: Choose 1 of the projects below. You will be graded with the rubric on the back.

1. Word Collage

Write the title of the book and author in the center of a sheet of paper. Then, look through magazines for words, phrases, and images that illustrate or tell something about your book and/or characters. The entire sheet of paper should be covered. You need to write why you chose what you did for at least **ten** (10) of the images. Give EMBEDDED TEXTUAL EVIDENCE (CORRECTLY CITED) to support all choices.

2. Soundtrack*

For three of the main characters, select three songs and/or artists for each character that he or she would listen to. Write an explanation of why you chose what you did. Give EMBEDDED TEXTUAL EVIDENCE (CORRECTLY CITED) to support your choices. You will need to cite songs/artists as well to explain connections. 3 X 3 = 6

3. Storyboard

Choose eight significant events in the book and draw the scene. Explain why you chose what you did and how it is an important plot element of the book. Give EMBEDDED TEXTUAL EVIDENCE (CORRECTLY CITED) to support each of your choices.

4. Gifts*

For three of the main characters, figure out three unique things you believe each would most want or need. These gifts must be literal. For example, don't give “bravery”; rather find an item that would instill bravery in someone. Draw or find pictures of these “gifts.” Write a CARD (use real cards as models) to this character telling them why you have given them these gifts. Give EMBEDDED TEXTUAL EVIDENCE (CORRECTLY CITED) to support each choice. 3 X 3 = 6

*If your book doesn't have three main characters, choose a different project!
